

GTN'S NEW OFFICE SPACE

Doris in her office with Lacey.

The Lord spoke and the world came into being. It wasn't quite that easy for us, but after several weeks and a number of ten hour days a set of offices that had been storerooms for fifteen years became a very attractive office suite. You can find us now at 4400 Will Rogers Parkway, Suite 203. You can reach us by calling 405-917-2219 or toll free at 1-888-544-5486.

If you could have seen the office prior to our invasion – it was the queen of all messes. Six weeks of texturing walls, double coats of paint, additional glazing of walls, painting the ceilings and woodwork, installing rugs and baseboards and finally, moving in. This was sort of a Craddock Family project as the grandkids, Jeremy, Hanna and Haley all chipped in along with special friends who did a yeoman's job of getting the office ready. So special thanks goes to Keith and Shelly McInroe, Gerard Cavallo, Bill Morgan, Lynn Beck and Brad Reibe who gave lots and received little in return.

We have scheduled an Open House for Sunday, August 24, 2008, from 2:00 to 4:00 (come and go). We look forward to seeing you and sharing what God is doing at GTN.

- Publishing our newsletters and other publications.
- Rewriting/condensing GTN's material into various formats.
- Designing of books/manuscript covers, DVD/CD covers, etc.

- Taking IBBS' course material and implementing on our Website.
- Updating and maintaining GTN's website.

ANSWERS TO PRAYER REQUESTS

*Please rejoice with us
at how God has been answering our prayers.*

- Mexico Mission Trip: we saw God prepare the hearts of the conference attendees and our material was well received, we had safety while we traveled, we had good health for the team and we raised the needed funds.
- We praise God for the beautiful office space provided that meets all our present needs.
- We had a donation specifically for our move and were able to buy needed furniture.
- We have been working with several editors who are doing a great job!

*Jesus looked at them intently and said,
"Humanly speaking, it is impossible. But
with God everything is possible."*

Matthew 19:26

Too Many Mailings?

We are glad that prayers do not require postage. Unfortunately, letters do. No matter what a letter costs it doesn't seem to stop the flow of mail. Yet communicating is the best way for faith-based organizations like Global Training Network to keep those who support us informed of what is happening in the ministry.

Because of our long association with Scope Ministries, you are probably receiving mail from both Scope and Global Training Network. Because it is a cumbersome task to cleanse a mailing list, Scope has informed us that they will only remove a name from their mailing list if the person requests it in writing or via a phone call. If you would like your name dropped from Scope's mail outs, drop them a line making the request at 700 NE 63, Oklahoma City, OK 73105 or at 405-843-7778.

Frankly, Jim likes writing his homilies and passing them on. We trust you enjoy them too. As Global Training Network unfolds in its God-given task of reaching and ministering to people, we want you to know what is happening. This is important to us for we want to assure you that we are being good stewards of the gifts that people give, and to keep you up-to-date so you can pray for us effectively.

WE PRAISE GOD FOR YOU!

A ministry is only as strong as those who support it. God has blessed us through your involvement in our lives and ministry. This year continues to be one of preparing and building. A start-up ministry has it's own unique challenges, especially as we build the infrastructure and complete the many demanding details.

We are spending hundreds of hours developing one of our major thrusts—The Institute of Biblical and Behavioral Studies (IBBS). We are constructing a unique curriculum which we feel will minister to many. This involves writing, editing, taping, etc. To get to the finished product is very daunting but exciting.

We have kept our counseling load very active, and it continues to grow. Whether we are working on material or disciplining individuals, the end product of a person captivated by Christ is thrilling. *We don't solve a person's problems; we show them how to overcome them.*

Thank you for your sacrificial giving and praying on our behalf. *Without you letting God work through you little would happen!*
