**W**e had a great time at our first study on January 8th. It was wonderful seeing friends and meeting new people, and a great way to hear the word of God!

We will meet the 2nd Thursday of each month at **Johnnie's** at 6629 NW Expressway.

Meet & greet at 6:00.

Study begins promptly at 6:30 to 7:30 p.m.

## WE PRAISE GOD FOR YOU!

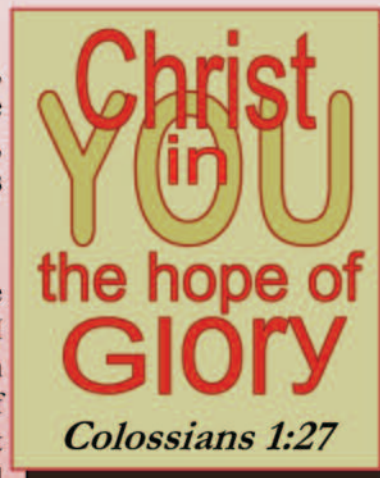

As we began Global Training Network I would look longingly at the Whitehouse, that beautiful mansion located just west of the Cowboy Hall of Fame, and tell the Lord what an asset it would be for a fledging ministry. Too, I had and still do a great desire to bring student leaders from the college campuses to share Christ in a different setting. The Whitehouse would have been perfect.

Well now, God didn't burst out laughing, but I am quite certain that He did chuckle a bit. "Not now," He said, "later perhaps, maybe never, but hold to the vision." This was three years ago.

In December a long time friend and one of the most dynamic and unique men I have every known asked me to work with him in mentoring young businessmen. Of course, I readily agreed. We had our first meeting and 20 key young men attended and can you guess the location – the Whitehouse!

God blessed us in 2008 and in May we had our Open House showing off our new offices. Many an hour of hard labor turned an old storage area into very attractive offices. What a blessing to have a place of our own to meet with those who come in for counseling. I also have my library set up after being in storage for three years.

God continues to bless us this year and we launched our 2<sup>nd</sup> Thursdays and we look forward to ministering with you as we study God's Word. Probably the greatest thrill was when Christi handed me the prototype of the first booklet in *Pneumanetics Original*. The hundreds and hundreds of hours put into this project will soon be a reality. I continue to thank God for His grace.

Without doubt, the most demanding and most rewarding has been God's call to be an intercessor. I have been turned inside out and my weaknesses and selfishness have been laid bare, yet this is imperative for God can only fill what He has emptied. I didn't realize I was so full of self. All I can say is that God is most patient.

**But the rewards are phenomenal.** A dear friend, an astute and gifted physician had been sued for malpractice. I asked God to intercede and remove this lawsuit. Just today I received a joyous call. My friend informed me that the other party had dropped the lawsuit.

A neighbor, near death with total kidney failure, asked us to care for her daughter in the event of her death. But, we both agreed to ask God to heal her. She called early one morning, "No more dialysis," she cried, "my kidneys are functioning fully."

But most of all, for thirty-eight years I prayed for a young man who was deep in drugs and alcohol. It seemed so hopeless, but God wouldn't let me (or Doris, Christi and others) stop praying and believing. Then God did His miracle! A commitment to Christ, a complete break from the past life and now on the road to a new life.

You might have met this guy; you see, he's my son!

Rich in His grace,  
Jim, Doris and Christi
