ABOUT HIS TRUTH TRANSFORMS INTERNATIONAL

His Truth Transforms International (HTTI) is a non-denominational, 501(c)(3) ministry, founded in 2006 on the sufficiency of Christ and His Word by Jim and Doris Craddock and Christi Craddock. HTTI's heart felt conviction is that biblical counselors must be solid in the Word of God if they are to provide the answers to hurting people.

HTTI's mission is to compassionately minister to people's emotional, relational and spiritual needs. We are not here to fix people's problems but are seeking to see people transformed by the Word of God and the power of the Holy Spirit!

HTTI offers biblical counseling at no charge, an extensive bookstore and an in-depth training department. Our training is offered through multiple venues.

MEET OUR STAFF

DORIS CRADDOCK is a founder and CEO of HTTI. She has worked in biblical ministry for 60 years. Doris and her late husband, Jim, were with Campus Crusade for Christ for 15 years, founded Scope Ministries International and

HTTI. Doris is a counselor, bible study leader, teacher and speaker for seminars and retreats. She has been a CASA Advocate for 7 years.

Doris taught on belief systems during our recent *Free Indeed* bible study and shares, "we all grow up with a faulty belief system but when a person receives Christ they receive an identity based on the Word of God. It's a joy to help others see no matter what incorrect beliefs they have they can renew their minds with God's Truth, directed by the Holy Spirit, which also allows them to forgive others and have an intimate relationship with Christ."

Doris loves people and is passionate about sharing God's Truth whether it is by ministering with a hug, by prayer or one-on-one. Doris was married 61 years, has 5 children, 13 grandchildren and 5 great-grandchildren.

CHRISTI CRADDOCK is a founder and president of HTTI. She is a speaker, teacher and counselor. She also self-publishes all of the HTTI material, works in the financial area, develops all marketing and develops and writes curric-

ulum, along with the staff. Christi is honored by all God has accomplished through HTTI this year and in particular in taking 7 of her father, Jim's, Pneumanetics books and adding pertinent information to write the book *Free Indeed!* To accompany *Free Indeed*, we wrote *Free Indeed Booklet*, *Companion Cards* and a *Facilitator's Guide* detailed in our Training and Bookstore sections. We now have all current books in EPub (IPad) and Kindle versions and translated books into Spanish which is detailed in our Bookstore section. Christi's passion is to minister to hurting people and share how God can meet their need in spite of their circumstance.

KITTY RAMIREZ is a 20 year veteran to biblical counseling with training from Scope Ministries International, the late Jim Craddock's foundational ministry. Kitty is Director of Training at HTTI and is developing the curriculum and courses for the training of future counselors.

She is a seasoned speaker, teacher, trainer and counselor. She developed the seminars "Be Still and Know I Am God, Parental Faithfulness," the training classes "Parenting Dynamic Kids" and co-developed "Pornography and Sexual Addition." She is also a trained Precept leader with a love for the Word of God. Kitty has been married for 32 years, grandmother of 8, great grandma of 1, and once knew how to fly a Cessna 150.

Developing the Tabernacle lesson for our *Free Indeed!* bible study caused Kitty to come away far richer in spiritual truths than when she began. For example, the Tabernacle, being a house of worship where God reveals Himself, was meticulously built according to God's specifications, with every aspect of the temple being a picture of Jesus. Her heart is for Christians to walk toward Jesus in the abundant life knowing God's tabernacle is in them.

MELODY MCCREARY has worked in the field of Dentistry for 20 years, 3 years as Director of Children's church and Director of Benevolence. Employed at Scope Ministries for 14 years as assistant to the Training Director, biblical counselor, teacher and small group facilitator. She began this year at HTTI – with the Craddock family as a biblical counselor.

It has been a joy to minister to hurting people with biblical truths and watch them grow in God's Truths. This year has brought on new challenges and adventures as the HTTI staff has written *Free Indeed!*, a personal development bible study to use individually or in a group environment. Melody's goal in life is to continue to grow personally in Christ and to help others discover how to walk in Truth in their troubled circumstances, teach biblical training classes, facilitate small groups, and minister at her Church. To God be the Glory!

TESTIMONY OF GOD'S FAITHFULNESS

"Free Indeed is truly a unique Bible study. After 17 years of being involved in Bible studies, I can safely say this one is by far the most powerful and life transforming study I've encountered. This is because there is NO mixture of the Old Covenant of Law and the New Covenant of Grace; it is dependent on a developing relationship with Holy Spirit; and it deals directly with wrong belief systems that impact understanding, behavior, and, most importantly, a relationship with God as Father. Free Indeed is a study that both new Believers and maturing Spirit-filled Christians will benefit from! I personally have experienced significant breakthroughs in my understanding and walk with God through the infusion of grace-filled Truths from this study. I highly recommend this powerful study of God's Word. It provides the pathway to abundant living in Christ!"

TRAINING DEPARTMENT

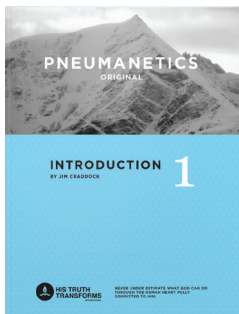

At HTTI we turn biblical truth into life-changing tools. We are a training, teaching and discipleship ministry that offers specially designed curriculum that incorporates the dynamics of biblical truth in equipping the Christian to live the adventure of a Spirit-led life and prepares them to have an effective ministry.

CLASS HELD IN SUMMER

This past summer HTTI and it's students enjoyed *God's Lost and Found* by Barbara Boyd. The study focused on adoption both physical and spiritual. This class, above all, is a tribute to the indescribable goodness and love of a perfect Heavenly Father who never leaves or fails His children.

CLASS DESCRIPTIONS

Pneumanetics Original consists of 18 separate books. This class will build the Christian's confidence that scriptures are reliable and authoritative. Representing God's solution for addressing the complex problems facing our contemporary society. This class will also provide a practical and workable model of biblical training designed to enable Christians to minister to each other effectively. Not only will this class enhance your ability to understand and apply God's truths in your own life but will equip you to counsel and disciple others.

Free Indeed! is a Bible study that allows us to know God's empowering presence which allows for a transformation that makes us outwardly what God has already made us to be inwardly. **God's empowering Word infused in our lives makes us Free Indeed!**

Free Indeed helps us:

- have a deeper understanding of God the Father, His son, Jesus Christ, and the Holy Spirit.
- deepen our faith in Christ and the sufficiency of God's Word.
- understand who we are in Christ upon becoming a believer and live in our new identity.
- to renew our minds with God's Truth so we want and choose to live a Christ-centered life.
- to live a life of faith and the ability to pass on the knowledge to others.
- allow God to break the bondage of our sin so we live in victory.
- understand and relief from depression, anxiety, guilt and other negative emotions that rule our lives.
- to stop the continual struggle in our Christian walk so we can experience the abundant life Christ promised.

- understand how prayer and worshipping God can be a vital part of our lives.
- understand the Holy Spirit as a person and the Spirit-filled life so we can become dependent on the Holy Spirit to heal, lead and empower us.
- bring positive change in our lives and relationships.
- to live a victorious and consistent Christian life.

Small Group Facilitating class will help guide

potential facilitators into the use of skills and methods that are so vital for developing a healthy group environment. Some of the topics covered will address reasons groups fail to groups that succeed. With appropriate training anyone desiring to facilitate groups can experience a form of ministry which is so rewarding.

FREE INDEED! COVER EXPLAINED:

Whether our lives are reflecting the calm waters or the turbulence of climbing a mountain, God's Word infused in our lives, through His plumb line, allows us to be free indeed! A plumb line is a tool that consists of a small, heavy object attached to a string or a rope. It is used primarily in construction to test that the structure being built is perfectly straight, perfectly vertical up and down; that the alignment of the building is absolutely flawless in its standing upright and straight.

We are to put on Jesus, our plumb line, who is our standard bearer of justice and righteousness. Who in the beginning was the Word (John 1:1) and we are to bring our lives in accordance and adjust where necessary to the plumb line of the Word. The Word is able to divide the thoughts and attitudes of the heart for accurate uprightness of thinking (Hebrews 4:12). At any time we find ourselves out of alignment (out of plumb) we are to examine where our beliefs about our Heavenly Father and our beliefs about ourselves need to be fine-tuned according to the Divine plumb line, the Word of God. The Divine plumb line runs from God's throne, through Jesus Christ, through the Holy Spirit, to the believer's spirit and is perfectly true to the measurements and standards of God.

A LIFE TRANSFORMED

I wasn't sure if I was going to be able to go to the Free Indeed class. My husband and I were going through a pretty tough time. I can't remember a time where I had been hit so hard in every area, physically, emotionally, spiritually, and financially, all at once. Maybe two at a time, but they never seemed to really bankrupt my faith, like this did. I felt empty. I wasn't sure if I was more angry or more hurt. We hadn't gotten any work in for months, our marriage was going through some hard trials, we were getting sued, and we were going through a miscarriage that ended with a class 3 hemorrhage that took us to the ER, without insurance.

After some weeks went by, I told my husband, I don't know why I can't pull myself out of this, this time. I mean, I've always thought I was pretty strong when things would happen. There were several things I could turn to in the past, but they came from a physical, emotional, spiritual, or financial area. Those were all empty, broken, and completely down for the count.

I had to decide if I should spend \$30 on a baby shower gift (it was the same day Free Indeed started) or on the 9 week Free Indeed class. I asked my husband what he thought, and he told me my friend would understand and I could get her a gift later. He thought I really needed to be fed spiritually. So, I chose the class.

His divine Power has given us
everything we need for life and
godliness through our
knowledge of Him who called
us by His glory and goodness.

2 PETER 1:3

Every week of the Free Indeed class felt like God gently guiding me back and reassuring me He was so present through all of this. The classes, the material, the ladies, walked me through each area I was struggling with, without realizing it, because it was all from the Spirit using them and this material to speak to me and answer my questions. The lies I was believing that my circumstances were telling me, the Truth was able to free me from them. And they were giving me the Truth in the way God knew I could hear and take it in fully.

The week we covered Emotions, was perfect timing. When you get hit by a train, as I had felt like I did, it can be hard to know which emotions are OK and what those emotions are really saying about where you are in your faith. The Free Indeed class delivered it in such a way, it felt like it was the first time I truly understood emotions and where they came from and how we are suppose to learn from them and truly be Spirit led. And actually, at 40, it probably was the first time.

Through Free Indeed, the Holy Spirit has taught me and reassured that He is my strength (physically), He is the fruit that I should be baring (emotionally), and He is everything I need, He is enough (financially). Christ is my true identity. It was hard to make sense of that, until now. And it's a process.

We didn't get a million dollar client, people will try to hurt us, I may never get pregnant again, we will always have bills to pay, but I can rest now. I can find joy in all the things God has given me, us. And most importantly, I can lean on His promises instead of my efforts. And it feels so good.

Testimony of God's Faithfulness

"I've struggled for years with forgiveness and love. Your book, *A Treasured Possession: God's Unconditional Forgiveness for All Believers* helped me see more clearly that I already possess, by faith, the love and forgiveness of God. That it is by faith in Jesus' blood that He covered me long ago and all who struggle with unforgiveness can know that it is by faith and grace alone that we are saved and secured and not by our works. Thank God for this! I bought copies to hand out so my friends can get free from the bondage of unbelief and struggling to get it right - we are right in His site. Praise Him!"

IN & EM - THE GREATEST GIFTS OF ALL

BY JIM CRADDOCK

There are gifts and then there are gifts. Some gifts we open, enjoy, and then forget; these gifts are temporal, for the moment only. These gifts pretty much define our Christmas—give and get. I am not belittling this, not at all. I too like to give and get, especially with the children.

But there are some gifts that keep on giving; they never grow old or useless. These gifts define the parameters of the day, the season and our life. Watchman Nee declared that the greatest phrase in all the Bible was “in Christ!” This is the “in” gift.

Let me explain. First, by a gracious act of love, God placed us in Christ. This means we are allowed to be wholly identified in His death, burial and resurrection. It means we become partakers of the divine nature. It means we are raised together with Him to sit with Him at the right hand of God the Father.

It means you and I can come boldly into the Holy of Holies and stand before the awesome, majestic God. It means you and I stand before Him blameless, holy, and without fault. It means you and I share equally with our glorious Savior His inheritance. This means you and I are filled with His joy and with His peace. It means you and I are complete in Christ. It means you and I, though slaves, are friends of God!

Now tell me what gift can equal this? What gift can surpass this? Ah, but there is more, much more—Christ in you, the hope of glory! Imagine, you and I in Christ and now Christ in us! What more can we, could we, should we expect? It

means you and I are made complete, perfect, and mature because of His indwelling presence. It means you and I have access to all the wisdom and knowledge of God.

Is there a gift that can compare to this? What earthly hand could ever conceive of such gifts? But wait, there still lies a package unopened. It is the “em” gift. It is the gift of empowerment. This means you and I receive by pure unmerited grace the gift of the Spirit. It means you and I have received God’s down payment on all that He has promised.

It means you and I are empowered by the presence of the Holy Spirit being poured out on us, allowing us to be witnesses for Him. It means you and I are empowered by the Spirit’s presence to stand up to and to defeat the powers of darkness. It means you and I are empowered to receive the love and hope of God in profusion. It means you and I, in our weakness, can experience personally the power of God!

These are the gifts that keep on giving. The great reservoir of God’s grace never runs empty nor is it ever half full. Remember these gifts this Christmas season amidst all the hustle and bustle of the day. Receive the abundance of our Lord’s gifts to us and may the greatest gifts be in’s and em’s.

We continue to honor Jim Craddock’s legacy as we stand firm on the sufficiency of Christ and His Word in how we live and minister.

Pneumanetics Original consists of 18 separate books. Each book contains a Textbook, which develops the subject matter, and a Workbook, designed to help you become personally involved in the subject matter. BOOK 3: THE NATURE OF MAN

BOOK 4: THE FALL OF MAN

This book explains why man is determined on self-destruction due to the Fall of mankind which not only changed man but altered God's plan for His Creation. It also demonstrates the three great epochs of man: Creation, Separation and Restoration and explains how the Bible offers the true understanding of man.

BOOK 5: THE SELF-LIFE

This book addresses when a Christian is living their life by the power of their own ability and talents instead of relying on the indwelling presence of the Holy Spirit which is the greatest enemy to a person's Christian walk. The self-life produces a person living through their soul (mind, will and emotions) instead of living through their Spirit (God's promises) which results in bondage instead of freedom.

BOOK 6: SPIRITUAL WARFARE

Satan as god of this world carries out a global conspiracy against every believer of Jesus Christ and uses his demonic powers to achieve his purpose. It is a war between the powers of darkness and the Kingdom of God. This book explains how you as a believer can effectively stand against this threat.

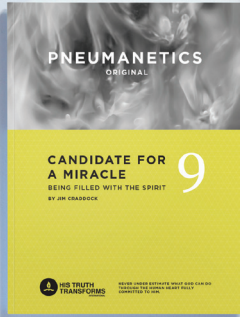

BOOK 7: OUR NEW LIFE IN CHRIST

Scripture explains that we are a new creation when we accept Christ as our Savior. This book addresses what is involved when a person becomes a Christian and what it means to become a new creation in Christ.

BOOK 8: IT TOOK A MIRACLE FORGIVENESS

Only the grace of God could take sinful man and provide the means for forgiveness. Forgiveness is one of the most dynamic spiritual truths of Scripture – it is life changing. This book explains how a Christian is forgiven, has the power to forgive others and how it can be applied practically in their life. It also explains how accepting and applying forgiveness is necessary in a Christian's life and how it produces freedom.

BOOK 9: CANDIDATE FOR A MIRACLE

BEING FILLED WITH THE SPIRIT

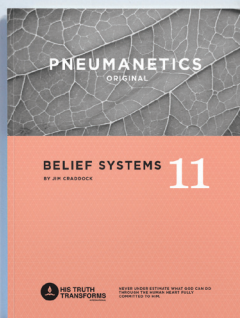

To many, their Christian life is nothing but a disappointment. This book reveals the biblical truth of how a Christian can be filled and empowered with the Holy Spirit, which is the divine necessity for a victorious Christian life.

BOOK 10: LIVING ON THE CUTTING EDGE

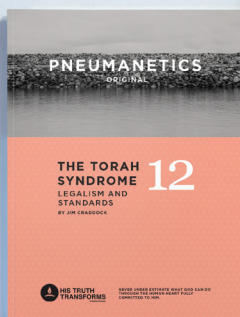

This book gives concise instruction on how a Christian can live daily by allowing the grace of God to prevail in their life which will sustain their victorious Christian walk through the continued empowering of the Holy Spirit.

BOOK 11: BELIEF SYSTEMS

What you believe determines the way you behave. The Bible shows that what you believe is the most important facet of your being. This book explains how your belief system works and how the Holy Spirit can renew your mind by changing your beliefs, your thought patterns, as well as your behavior, which produces better choices and Godly living.

BOOK 12: THE TORAH SYNDROME

LEGALISM AND STANDARDS

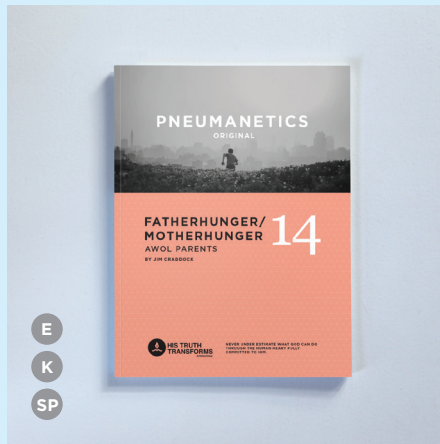

This book reveals how the wrongful use of God's law is very destructive, the dangers of living a life of legalism, how law and sin are related, and explains how grace can enable a Christian to overcome this debilitating presence in their life.

BOOK 13: BECOMING WHO YOU ALREADY ARE

BUILDING A CHRISTIAN IDENTITY

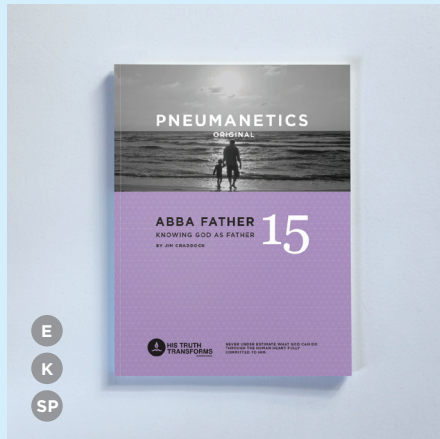

This book demonstrates the biblical way to establish your self-image and a healthy sense of worth. It will help you as a Christian to understand that God gives you unconditional acceptance based on who you are rather than what you do.

BOOK 14: FATHERHUNGER / MOTHERHUNGER

AWOL PARENTS

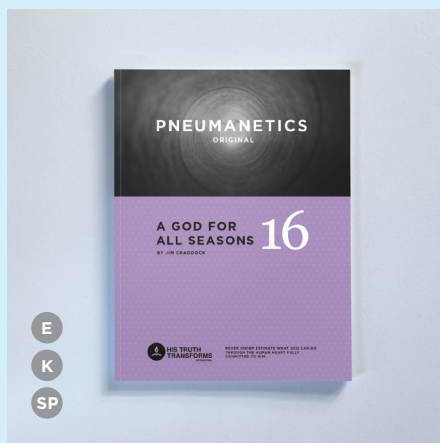

This book is an important study of the characteristics of those from an absent father or absent mother background and how it affects their lives and the lives of their children. This book is a must read for those who would understand their spouses, the roles that each parent plays in marriage, how to best raise your children and also lists a number of characteristics that explain a person's behavior.

BOOK 15: ABBA FATHER

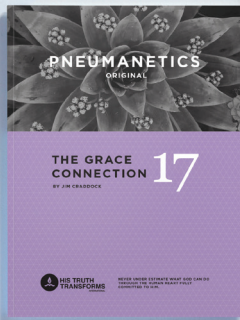

KNOWING GOD AS FATHER

Most Christians have an appreciation of God based on their own earthly fathers. This book reveals the divine essential of knowing God as Father, revealed in the life and words of Jesus, as the most important factor in our Christian walk.

BOOK 16: A GOD FOR ALL SEASONS

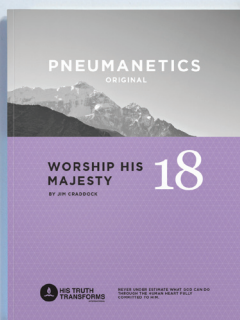

God is God no matter what our season of life. This book reveals the Father in the Person and ministry of Jesus and explains how God is sufficient to meet the unique needs that come with each season of our life.

BOOK 17: THE GRACE CONNECTION

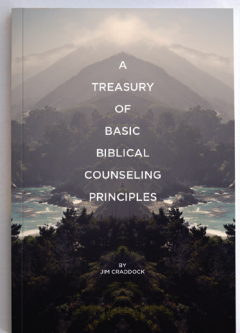

Grace is a gift bestowed by God to every Christian and to be received by faith. This book explains that Grace is a spiritual dynamic that allows God to be God in us and how grace can be effective in our Christian walk.

BOOK 18: WORSHIP HIS MAJESTY

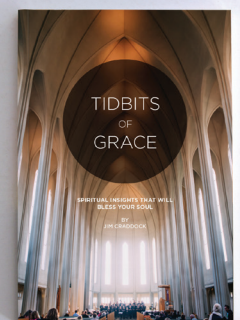

This book reveals how worship is the most important activity a Christian can engage in and how man was created to worship. It also explains how we tend to become like that which we worship and how proper worship is necessary for proper living.

TIDBITS OF GRACE:

In the secret and sacredness of his prayer closet, when God was very close, Jim' heart was blessed by God's love and encouragement, and even His admonishments. These nuggets of wisdom thrilled, challenged, and blessed Jim, and now he passes them on to you in this incredible book, *Tidbits of Grace: Spiritual Insights That Will Bless Your Soul*.

DISCOVERING THE WILL OF GOD FOR YOUR LIFE:

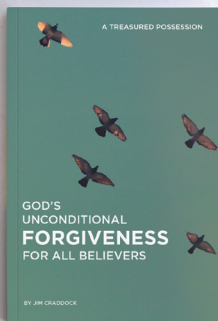

Is it really possible to know—for certain—God’s direction for your life? In an age where job security and career opportunities are vague and uncertain, does the Bible offer any input to give us guidance? Yes, and yes! The author takes us to the Bible to answer these questions, examining Gideon’s life to show how he asked, “How can I know God’s will?” God never intended for you to live in limbo, nor in ignorance of His purpose and design for your life. As the author demonstrates, there are means to help you find God’s purpose for your life. By following the applications in seeking God’s will, you will discover the assurance of peace.

FINDING MEANING IN A WORLD OF MADNESS

Failing to find meaning—especially in meaningless situations—creates a profound emotional and spiritual dilemma. Lacking logical meaning causes some people to question God...and others to turn away from Him entirely. But some people actually seem to grow during crisis and trauma. How do they do it? How can we find our best when a situation seems at its worst? It is this truth—that we can find meaning when everything around us is in disarray—that *Finding Meaning* investigates. Using the book of James, the author explains that only God can bring meaning to our meaningless events. Learn how to thrive even in the most challenging circumstances, exploring the Bible as an oasis in the turmoil of all that life in this world throws at us.

A TREASURED POSSESSION:

GOD’S UNCONDITIONAL FORGIVENESS FOR ALL BELIEVERS

It was sin that separated man from God. Sin brought death. Sin turned man against his Creator, man against man, and man against his environment. Sin made man love himself above God, declaring war against the One who cherished him. Refusing to see himself as evil, man has always tried either to rationalize his sin away or to ignore it. In his own mind and in his own way, man has become his own god—albeit one powerless to deal with his own sin. Great religions have been created by man, yet none of these deal directly with man’s most basic problem: Sin.

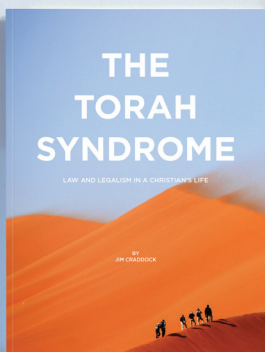

As incomprehensible as it seems, God, in one decisive moment in history, took man’s sin, the sins of the world, and placed them upon His Son,

Jesus. There on the Cross, the penalty of sin—death—was removed, the power of sin was broken, and God’s righteousness was freely given to man. Consequently, as our Lord Jesus dealt once and for all with the issue of sin, He also made possible the free gift of God’s forgiveness. At the Cross, forgiveness became not ours simply to seek, but ours to actually possess!

MAN: THE INCOMPARABLE CREATION

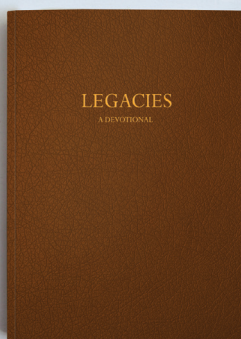

What does it mean to be created “in the image of God”? What makes people act the way they do? Jim Craddock, author, counselor, lecturer and educator, answers these questions and more, offering fascinating insights into the biblical view of the creation of man. Mr. Craddock helps us understand God’s intentions in creating man, explaining why it is so important that humans know God personally to fully understand themselves in proper context, the way God created us. Incomparable Creation uses the Old Testament Tabernacle in the wilderness to demonstrate who man is, comparing the Tabernacle’s physical structures to man’s nature (body, soul and spirit). Readers will also learn how human nature relates to man’s consciousness, self-consciousness, and God-consciousness.

THE TORAH SYNDROME:

LAW AND LEGALISM IN A CHRISTIAN'S LIFE

In this book, Jim Craddock, author, counselor, lecturer and educator, introduces one of the most destructive forces in the lives of Christians: attempting to live life under law (or legalism) rather than through grace. He calls this condition *The Torah Syndrome*. This book explains the effects of law on the Christian’s walk and ministry, revealing the correlation between the law and sin and the damage which results when a person tries to live by these rules. It also explains the remarkable freedom that only comes when we discover the path to living the life of grace that God intends for us.

LEGACIES:

A DEVOTIONAL

Jim Craddock, author, lecturer, counselor, and educator, was a man that challenged others by his perseverance and his radical obedience to God and His Word. Jim’s passion was to tell others how they could personally know God, his son Jesus, and the Holy Spirit, and explain that knowing Them could transform a person from the inside out. His prayer was for every person to choose to live a holy life that would set them apart. He spent his life loving others and sharing the depth of God’s love for them. He wanted all people to know how great the God of the living Bible is.

Legacies, a Devotion is a compilation of fifty years of Jim Craddock’s meditations, homilies, letters and musings, bound together in an easy-

to-read, faith-inspiring, daily devotional format. Jim wanted nothing more than for every person to know the God of the Bible, a God who can make every ordinary person extraordinary as a child of the Most High King. Every word Jim wrote was designed to impart a deeper understanding of the Word of God, for he understood that “man does not live by bread alone, but by every word that proceeds from the mouth of God.” Jim’s prayer was that the devotionals found in *Legacies* would serve as a companion to daily Bible study, and that its readers would approach his words with an open heart, allowing God to draw them into a deeper understanding of how He works in their lives.

CRISIS HELPS FOR PASTORS AND INDIVIDUALS:

NEW - Crisis Helps for Pastors and Individuals was developed as a short, simple ministry tool to aid a pastor or layperson in ministering to people in their time of crisis. It provides instruction on the healing process, stages of grief and loss, scripture to equip the pastor, and scripture for the individual who is hurting.

Accompanying this material is Jim Craddock's book, *Finding Meaning in a World of Madness* which will enable to help a person be at their best when the situation is at its worst and discover the Bible as their oasis at their time of crisis.

AGONY OR ECSTASY:

MAN'S ANXIETIES/PANIC ATTACKS

NEW - Acute anxieties or panic attacks strike without warning, suddenly, viciously and with such force they do seem to be supernatural. Because what occurs happens so quickly and creates so much emotional anguish, a person feels they are losing their sanity. Panic attacks are another renegade emotion that Satan, destroyer of our peace, uses to marginalize the believer. God gave us our most valuable resource the Bible which gives us not only insights and relief but also provides a supernatural process to overcome panic attacks.
